MOTION BY SUPERVISORS YVONNE B. BURKE AND DON KNABE

Congresswoman Juanita Millender-McDonald and the African-American Women Health and Education Foundation will hold their ninth annual Southern California Regional 5K AIDS Walk on Saturday, April 23, 2005 at California State University, Dominguez Hills in Carson, California. This annual event is planned to raise needed funds to benefit Los Angeles County clinics and Programs that provide HIV prevention and care services to minorities, particularly women. HIV infection disproportionately affects minorities, particularly African-American and Latino families.

WE, THEREFORE, MOVE THAT the Board of Supervisors proclaim Saturday, April 23, 2005 as “Ninth Annual Southern California Regional 5K AIDS Walk” throughout the County of Los Angeles and encourage the Chief Administrative Office to provide necessary support. Additionally, all employees are encouraged to voluntarily support this worthwhile event and participate in the 2005 Southern California Regional 5K AIDS Walk.
